#### Important:

As a supplier tick the "Excel generated as supplier" button:

<ul> <li>Excel generated as supplier</li> </ul>	Excel generated by customer
---	-----------------------------

- when you want to **populate a new assessment in MMOG.np** with answers from a previous Excel Workbook assessment, don't tick the "finished" button. Leave it blank.

- When you want to import an existing Excel Workbook assessment to **create an historical record**, tick the "finished" button.

Otherwise you will get an error message when trying to import an historical assessment into MMOG.np.
